

Connecting to a cloud provider is integral to your business strategy, but using the Global Internet to connect to the cloud has many challenges including lack of security, unreliable latency, and inconsistent routing.

GBI offers secure, direct connectivity to our partners AWS, Softlayer, Azure and Google. We provide end to end management of your service, optimising your cloud experience.

GBI Network

### Simple, Safe and Reliable

A single cross connect into your device and you have a secure connection to the Cloud.

### We Care about Your Service

GBI provides 24/7 ongoing support, local CPE management and optimization of routing into the Cloud.

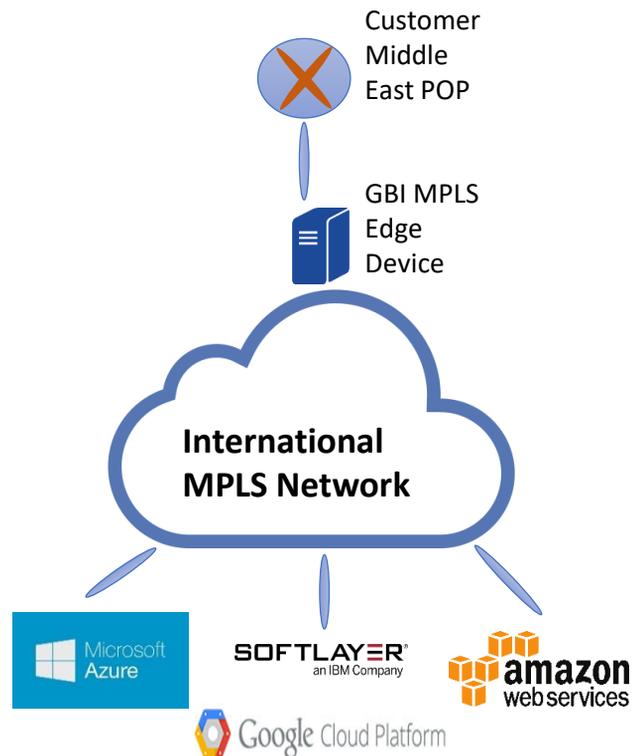

### Rapid Deployment of Your Service

Shorter lead times compared to traditional connectivity services.

### Peace of Mind

A one-stop-shop solution as a licensed partner of the major cloud operators backed by strong SLAs for availability and Round Trip Delay.

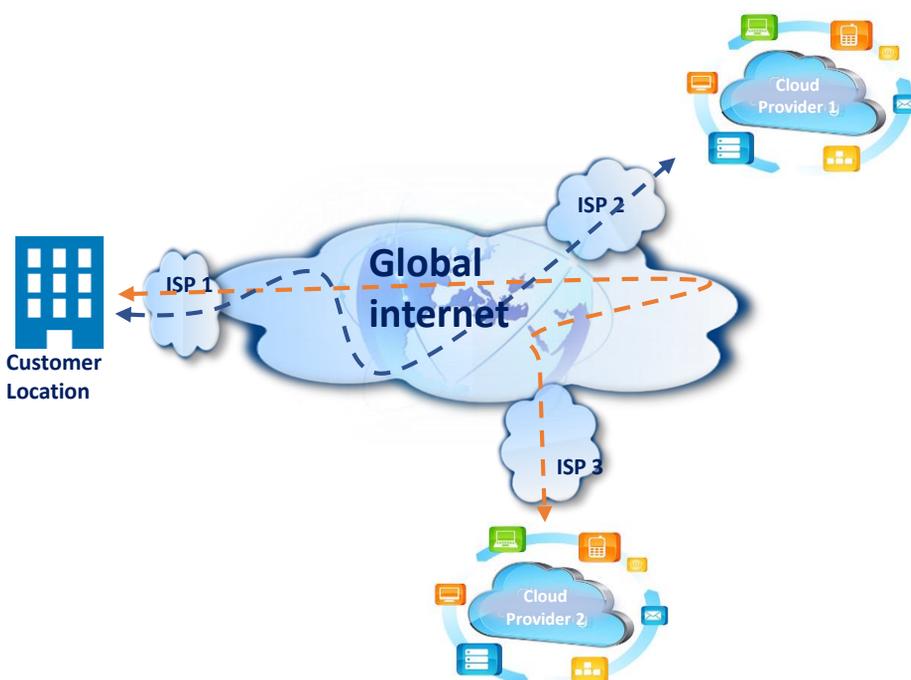

## About GBI

GBI owns and operates a multilayer carrier neutral network connecting the world to the heart of the Gulf.

Feature	Benefit
<b>Speed</b> <ul style="list-style-type: none"> <li>- Direct connectivity to our major Cloud partners</li> <li>- Optimized routing via GBI's global MPLS POPs</li> </ul>	<ul style="list-style-type: none"> <li>- Quickly connect your office to the Cloud</li> <li>- Consistently faster speeds into Europe</li> <li>- Symmetric access speed up to 1Gbps</li> </ul>
<b>SLA</b> <ul style="list-style-type: none"> <li>- Leading availability and latency guarantee</li> <li>- Comprehensive SLA offered across both type A and B countries</li> </ul>	<ul style="list-style-type: none"> <li>- Improved service continuity</li> <li>- Minimise frustrating downtime</li> <li>- Stringent performance metrics</li> </ul>
<b>Service</b> <ul style="list-style-type: none"> <li>- 24/7 Global NOC</li> <li>- End to end service management</li> </ul>	<ul style="list-style-type: none"> <li>- Receive relevant, timely information</li> <li>- Access to round the clock control and management of your service.</li> <li>- Peace of mind</li> </ul>
<b>Technology</b> <ul style="list-style-type: none"> <li>- GBI MPLS backbone</li> <li>- Carrier grade cross connection</li> <li>- Enhanced security connection end to end</li> </ul>	<ul style="list-style-type: none"> <li>- Robust, reliable and safe</li> <li>- High security of company sensitive information</li> <li>- Inexpensive Ethernet interfaces</li> </ul>
<b>Flexible Pricing</b> <ul style="list-style-type: none"> <li>- Competitive pricing</li> <li>- Lower cost compared to private leased lines</li> </ul>	<ul style="list-style-type: none"> <li>- An affordable managed service</li> <li>- Helps lower your IT costs keeping you more competitive</li> <li>- Pay only for what you need</li> </ul>
<b>Service scalability</b> <ul style="list-style-type: none"> <li>- Datacenter bandwidth 'on-tap'</li> </ul>	<ul style="list-style-type: none"> <li>- Business agility</li> <li>- Grow the service as your business grows</li> </ul>

## Challenges of VPNs delivered using the global internet

Three main challenges of using the global internet

1. Security threat
2. Traffic congestion
3. Inconsistent routes

## Service Options

GBI Provides	Cloud Connect
A secure, scalable and affordable managed international connection from your local server to the cloud	Yes
Stringent SLAs for both latency and availability	Yes
Partnerships with the major cloud operators	Yes

## Technical Specifications and Latency

Access Speeds	10Mbps to 1 Gbps
Interfaces	Ethernet (FE/GE) RJ45
Availability	99.99%**

\*\* From GBI on-net demarcation points

Destination	RTD (ms)*
Europe (Frankfurt)	100-110
India (Mumbai)	40
Asia (Singapore)	90
US (East)	200
Gulf	10-20

\* Above RTD figures are based on calculation between GBI Global POPs and GCC POPs

## Pricing options

GBI's Cloud Connect is priced according to your bandwidth requirements and any additional add-ons. Further discounts may apply depending on your choice of contract length. The service is charged on a flat rate monthly basis according to your bill cycle. Your first invoice will also contain a non-recurring charge for installation.

## Contact GBI

Your GBI Account Manager is here to help guide you through the best option to suit your needs.
