

Connecting Your Business Globally.

GBI WISHES YOU A HAPPY NEW YEAR

Gulf Bridge International (GBI) wishes you a prosperous New Year ahead. Our industry is on a consistently evolving roadmap to meet new requirements and provide solutions for new technologies and day-to-day applications. On this journey, GBI is dedicated to delivering the best possible digital experiences and transforming Qatar and the region into a global connectivity hub propelling digital economies everywhere.

2021 has been filled with achievements, announcements, and milestones on GBI's journey to becoming the most trusted partner for customers everywhere.

. Read more about some of our highlights this year below:

GBI Boosts Submarine Network Performance with Ciena's GeoMesh Extreme to provide enhanced services between the GCC, India and Europe.

GBI Boosts Submarine Network Performance with Ciena's GeoMesh Extreme to provide enhanced services across its regional & global network

As part of GBI's infrastructure evolution, Ciena has increased GBI's Smart Network lit capacity by 10 TB. These upgrades will help GBI to meet the demanding internet traffic requirements between the Gulf Cooperation Council (GCC) countries, Europe and India.
